**NARRATIVE:**

George Moreno is a documented gang member with an extensive adult criminal history that began at the age of 18. His convictions include multiple burglaries, battery, stalking, contempt of court with priors, multiple cases of evading police, receive stolen property, multiple vehicle thefts, petty theft, attempted grand theft auto, possession of controlled substance, possession of controlled substance paraphernalia and failing to report. He has served multiple incarcerations, the longest being a 3 year term for stalking. Moreno was released from state prison to the supervision of the Los Angeles County Probation Department on December 30, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in January 2015 after he absconded from post release community supervision (PRCS). Moreno qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for stalking is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
